/Aryan Dutta

SKILLS

- Technical skills -
C, HTML, CSS, JAVA, Python, OS, DBMS
- Non-Technical skills -
Drawing, Video & Photo Editing, Graphic Design

EDUCATION

- B.Tech in Electronics & Computer Science Engineering | Kalinga Institute of Industrial Technology, Bhubaneswar, Odisha (Aug' 24 - 2028)
- XII (CBSE) | Faculty Senior Secondary School, Guwahati, Assam (2024)

PROJECTS

Software Projects

- Developed a creative **e-commerce website** for buying and selling paintings
- Designed responsive user interface using HTML, CSS, and JavaScript
- Applied basic web development principles and UI/UX design concepts
- Engineered an enhanced **college student portal** featuring an automated attendance report, CGPA calculator, and dynamic time table schedule.
- Developed a dynamic **jewelry e-commerce platform** featuring 3D UI elements and smooth animations.
- Implemented a modern and highly responsive user interface using HTML, CSS, and JavaScript.
- Focused on performance optimization to ensure smooth user experience and interactive 3D rendering.

Hardware Projects

- Built a **Radar System Prototype** using Arduino UNO and ultrasonic sensor
- Integrated servo motor for 180° scanning and real-time object detection
- Programmed microcontroller using Arduino IDE (Embedded C)
- Interfaced sensors and actuators for accurate distance measurement and performed circuit design, wiring, and hardware troubleshooting

EXPERIENCE

Position of Responsibility (POR) roles – College Society

- Served as Lead Coordinator, managing planning and execution of multiple student events
- Acted as Organizing Committee (OC) Member, ensuring smooth event operations and logistics

Event Management Team

- Served as Organizing Committee (OC) for the Freshers' Welcome Event for the School of Electronics Engineering branch
- Collaborated with faculty and student teams to ensure seamless event flow

Research & Development Member – College Society

- Actively contributing to R&D initiatives, focusing on technical exploration and innovation
- Supporting prototype design and implementation activities

HOBBIES & CREATIVE INTERESTS

- Video Editing
- Drawing and illustration
- Graphic Designing
- Photography & Cinematography
